MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Global War Plan

REFERENCE: Draft Global War Plan for the DD/I Area  
dated 28 July 1955

25X1A8a 1. There are attached to this memorandum global war plans for the Office of Operations, Soviet Staff, [REDACTED] FDD and [REDACTED] 25X1A8a  
25X1A8a [REDACTED] The combined war plans of the Office of Operations are transmitted under Top Secret classification. However, the individual plans of the various components are considered to be Secret and may be so treated when separated from the others. Likewise, this memorandum may be downgraded to Secret when separated from its enclosures.

2. These plans have not been prepared in accordance with paragraph 6a(1)(f) of reference draft which stipulated that an "Intelligence Support" plan should be prepared by the Assistant Director for Central Reference in collaboration with the Assistant Director for Operations. However, a member of the Planning and Coordinating Staff of this office has read the OCR war plan and conversely a member of OCR has read ours, and there appears to be no conflict.
